

EVENTS

Surrounded by breathtaking beauty, nestled among towering redwood trees, Big Sur River Inn is the perfect place to host the most important occasions of your life.

The Big Sur River Inn offers both indoor and outdoor settings for your special occasion.

Our restaurant features high redwood beamed ceilings that compliment the redwood furniture and large stone fireplace.

In addition to the restaurant, the Big Sur River Inn boasts expansive grounds, two large redwood decks, and twenty charming, rustic guest rooms.

Booking your wedding with us is an easy process.

Once you have selected the location within our property we will send a contract with all rules and details clearly outlined.

When the signed contract and the site fee are received by Big Sur River Inn your space will be confirmed.

Now the only details will be your selection of food, beverage, set up and event flow.

The last item on your list is to enjoy your event while we make your vision come true.

Site Fees

All site fees are dependent upon location, time of day, and date of event.
We offer 4 different site options:

Full Restaurant Buy Out

The full restaurant buy out includes the main dining (inside), upper deck, lower deck and lawn areas.
You and your guests will have exclusive use of all these areas and signs will be posted, keeping the general public away.
Seated Capacity: 250 people

Lower Deck

Our lower deck is located riverside and enjoys direct sunlight for a large portion of the day.
We include umbrellas and a few outdoor heaters that help maintain a desirable temperature range.
Seated Capacity: 110 people

Upper and Lower Decks

The combination of our upper and lower decks allows for a multiple level party that inspires cocktail hour, mingling, and dancing as well as a sit down meal.
Seated Capacity: 140 people

Lawn

Our lawn offers a location between our rustic inn and the crystal clear river that our inn is named for.
While this site requires rentals in order to host an event here, the thick, green lawn surrounded by towering trees and the sound of running water inspires one to let go and enjoy.
Seated Capacity: 160 people

*Prices range from \$200 to \$20,000 depending upon the location, date and time of day.
